VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of report.)*

Section VII Notes:

Note 1: The BlackRock COMT Ishares ETF listed at line 13 is reported there as a non-IRA account holding. In this particular case, the same fund is listed at line 45 as an IRA account holding, and also at line 65, where it appears as part of a second, and different, IRA account. In short, the named asset has not been aggregated into a single entry because the ownership and/or account vehicles are substantially different. This is only one of many examples throughout this report, none of which are individually noted; but all of these apparent duplications or "non-aggregations" are reported separately for the same reasons: the ownership is different and/or the accounts in which they are held are of different types.

Note 2: The complete description at Line 45 is: BlackRock COMT Ishares U S GSCI Commodity Dynamic Roll Strategy ETF (IRA #3)

Note 3: The complete description at Line 65 is: BlackRock COMT Ishares U S GSCI Commodity Dynamic Roll Strategy ETF (IRA #2)

Note 4: The complete description at Line 74 is: BlackRock EEMV iShares MSCI Emerging Markets Min Volatility ETF (IRA #2)

Note 5: The complete description at Line 81 is: Black Rock EEMV iShares MSCI Emerging Markets Min Volatility Factor ETF (IRA #3)
