VIII. Additional Information or Explanations

	ADDITIONAL INFORMATION OR EXPLANATION
1.	Brokerage Acct. #7 which appeared on prior reports is no longer reportable because the account balance was distributed in total in January 2024 as reflected in the 2024 report and, therefore, is not a reportable asset in 2025. Further, the individual to whom it belongs no longer qualifies as a dependent child of the filer.
2.	Brokerage Acct. #13 which appeared on prior reports is no longer reportable in 2025 because the individual who has always owned the account and still owns the account no longer qualifies as a dependent child of the filer.
3.	Brokerage Acct. #15 includes other securities, none of which had a fair market value over $1,000 or from which income in excess of $200 was received at any time during the reporting period, other than those listed on this 2025 Year End Report. The filer over-reported securities in this account in the 2024 Year End Report, as none of those securities were reportable during the 2024 reporting period either.
