VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of report.)*

Part III-A: Although I remained an adjunct professor at the University of Pennsylvania Law School in 2021, I was not teaching and therefore did not have any non-investment income from the Law School.

Part VII of this report was reorganized during this cycle to identify holdings by account. This is not indicative of reportable transactions.

Part VII, Column B: Lines reflecting no income are so reported because none was attributed to those particular holdings during the reporting period, whether taxable, tax exempt, or tax deferred, or because the investments do not allocate income to individual holdings, but instead are credited only in unit value, per page 45 of the filing instructions.

Part VII, Column C: Value method "V" indicates the sum that has been invested in this company.
