VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of report.)*

Part I, line 1: This position involves the receipt of residual commissions for work performed by the decedent, as reflected in Part III-A.

Part VII, Column B: Lines reflecting no income are so reported because none was attributed to those particular holdings during the reporting period, whether taxable, tax exempt, or tax deferred, or because the investments do not allocate income to individual holdings, but instead are credited only in unit value, per page 45 of the filing instructions.

Part VII: During this reporting period, multiple listings of assets were consolidated. This is not indicative of reportable transactions.
