VIII. Additional Information or Explanations

	ADDITIONAL INFORMATION OR EXPLANATION
1.	The earnings shown in the "Income" column for the Investments on Lines 2, 6, and 52 of Part VII are reported as Dividends even though my Form 1099 reported that this Income consisted of both Distributions and Dividends. JEFS staff advised that I should report any Income not produced by a transaction as Dividends even if, for income tax purposes, it was reported as both Dividends and Distributions. I thus have reported the Income simply as Dividends. Also, based on this same consultation with JEFS staff, I have reported Income for the Investments shown on Lines 4, 8, 10, and 48 in Part VII as Dividends even though my Form 1099 reported that this Income consisted exclusively of Distributions.
