VIII. Additional Information or Explanations

	ADDITIONAL INFORMATION OR EXPLANATION
1.	Part VII, Column B: Lines reflecting no income are so reported because none was attributed to those particular holdings during the reporting period, whether taxable, tax exempt, or tax deferred, or because the investments do not allocate income to individual holdings, but instead are credited only in unit value, per page 42 of the filing instructions.
2.	Brokerage Acount #1 was identified as Brokerage Account #5 in previous reports. On June 27, 2024, all the holdings in what was previously identified as Brokrage Account #1 were transferred into what was previously identified as Brokerage Account #5.
