1.	**(H) Investment Account**				

Additional Explanation: My 2024 report disclosed a mutual fund called the American Funds New World Fund. This was an error. I sold my New World investment in three separate transactions in 2022. On 7/22/22, I sold part of the investment for $5000. On 9/14/22 I sold part of the investment for $5000. On 11/22/22 I sold the remainder of the investment for $8290.50. I have not owned any shares in New World Fund since then and cannot explain my error in including it in my report last year.

VIII. Additional Information or Explanations

	ADDITIONAL INFORMATION OR EXPLANATION
1.	1. Part VII beginning at Line 3 and following in all sales of mutual funds. The amounts in mutual funds are based in part of reinvestment of dividends. For mutual funds held in IRAs, purchases of the funds occurred on a monthly basis over many years. Because of these facts, it is impossible to determine the precise amount of gain from a sale. No monthly purchase of any particular asset exceeded $1,000.00
