VIII. Additional Information or Explanations

	ADDITIONAL INFORMATION OR EXPLANATION
1.	Part VII, Column B: Lines reflecting no income are reported because none was attributed to those particular holdings during the reporting period, whether taxable, tax exempt, or tax deferred, or because the investments do not allocate income to individual holdings, but instead are credited only in unit value, per pages 41-42 of the filing instructions.
2.	Part VII, Rows 19-59: There are some securities that are listed twice because those invdividual securities are held in two separate accounts.
3.	Part VII, Rows 6, 7, and 47: These accounts were previously with TD Ameritrade, but then were rolled over by my employer in 2024 to Fidelity Investments.
4.	Part VII Row 20: This was a duplicate of a previous entry, and the row was deleted.
