VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of report.)*

Part VII, Column B: Lines reflecting no income are so reported because none was attributed to those particular holdings during the reporting period, whether taxable, tax exempt, or tax deferred, or because the investments do not allocate income to individual holdings, but instead are credited only in unit value.

Value code "V" represents the amount of the initial investment.

Parenthetical numbers in Part VII are CUSIP numbers.

Minor discrepancies, if any, between periodic and annual transaction details are the result of software limitations, brokerage reporting practices, and/or the effect of market changes affecting reportability.
