VIII. Additional Information or Explanations

ADDITIONAL INFORMATION OR EXPLANATION

Part I Death on January 5, 2009, caused splitting of assets, termination of revocable trust, creation of irrevocable Trust B, with transfers in August 2009 to Commerce Bank as co-trustee with primary investment responsibilities. Bank also became co-trustee of Trust A in 2016.

Additional Explanation: Therefore any and all financial benefits from Trust A and Trust B are listed in Section VII of this Report.

Part VII Financial Square represents periodic deposits by co-trustee - similar to bank account for income from sales, interest and dividends.

All sales and purchases were by co-trustee bank, without participation and apparently not designed for specific trusts.
