VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of report.)*

Part VII, Column B: Lines reflecting no income are so reported because none was attributed to those particular holdings during the reporting period, whether taxable, tax exempt, or tax deferred, or because the investments do not allocate income to individual holdings, but instead are credited only in unit value, per page 45 of the filing instructions.

Part VII, Account #3, is managed and controlled exclusively by a former employer of the filer. There was a substitution of assets by the manager on September 19, 2021, which was inadvertently omitted from the filer's 2021 report.
