VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of report.)*

Part VII, Column B: Lines reflecting no income are so reported because none was attributed to those particular holdings during the reporting period, whether taxable, tax exempt, or tax deferred, or because the investments do not allocate income to individual holdings, but instead are credited only in unit value.

Parenthetical numbers in Part VII are CUSIP numbers which, like ticker symbols, are standard asset identifiers. They contain no security-based information.

Part VII includes transactions that were merged in prior reports rather than mirrored as previously listed. They are reported separately herein.
