VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of report.)*

On lines 10, 12, 43 and 45, the stocks listed were fully sold on the dates indicated (not partially sold), but thereafter were purchased again (and thus owned in the account at end of year). When the audit function was utilized, we were directed to list the transaction as "partially sold" rather than "sold", but this would not have been accurate.
