VIII. Additional Information or Explanations

	ADDITIONAL INFORMATION OR EXPLANATION
1.	Part VII, Column B: LInes reflecting no income are so reported because none was attributed to those particular holdings during the reporting period, whether taxable, tax-exempt, or tax-deferred, or because the investments do not allocate income to individual holdings, but instead are credited only in unit value. Likewise, per the filing instructions, I have not disclosed as income changes in the market value of assets, except for 401(K) #2 (H), because the plan statements only report "Dividends/Change in Value" as a single figure, without separating out the two sources. Accordingly, in an abundance of caution, I have reported that figure as "Dividends" for each asset.
