VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of report.)*

The appraisal date for all items listed in Part VII was 12-31-21.

I have previously included assets of the Tommy B. and Lucille Jackson Slaughter Foundation No. 2 as well as the T. Whitfield Davidson Foundation in my earlier reports. These are two community-based non-profit foundations. I serve on the board of these foundations, but I do not participate in their specific investment/ financial decisions. On September 2, 2021, the Committee on Codes of Conduct of the JCUS, in a response to an inquiry from me, opined (in their Docket No. 2702) that my membership on these boards "does not create a financial interest in the board's assets" and further that "you need not recuse from cases in which the non-profits for which you serve on boards have a financial interest." As a result of this guidance, I have removed any mention of these two non-profit foundations and their assets from this report. I will not include them in future reports, as well.

In December of 2021, [redacted] made certain gifts to [redacted] including various securities, primarily municipal bonds. This gift was for estate planning purposes, upon advice of their accounting and financial advisors. These assets have not been previously reported since they were not received by [redacted] until the end of 2021. Per your instructions, I have placed an "X" after each of these assets as being exempt from earlier reporting, as [redacted] did not own these assets during any earlier reporting period.
