ADDITIONAL INFORMATION OR EXPLANATIONS

As indicated, with respect to my transaction dates, there are two that date back to late February 2023, a time during which I was experiencing extensive bleeding in my duodenum due to an advanced Helicobacter pylori infection, which led to a large duodenal ulcer. I was hospitalized for surgery (cauterization of the ulcer) and given a series of follow-up medications. Following the surgery, I experienced extreme, intermittent exhaustion due to considerable loss of blood. During that time, I expected my investment advisor to flag reportable transactions but he believed such transactions would be reported annually (as in the past). Regrettably, these transactions did not come to light until I specifically requested reports to prepare my annual Financial Disclosure Report (for which I received an extension to August 15 because of my medical problems). Due to my ongoing health issues and the lack of communication from my investment advisor, I request that you please waive any penalty fees at this time. I have now rectified the situation so that I will receive prompt notice of all reportable transactions to make the necessary periodic reports.

CERTIFICATION.
I certify that all information given above (including information pertaining to my spouse and minor or dependent children, if any) is accurate, true, and complete to the best of my knowledge and belief, and that any information not reported was withheld because it met applicable statutory provisions permitting non-disclosure.

NOTE: ANY INDIVIDUAL WHO KNOWINGLY AND WILLFULLY FALSIFIES OR FAILS TO FILE THIS REPORT MAY BE SUBJECT TO CIVIL AND CRIMINAL SANCTIONS (5 U.S.C. § 13106)
