VIII. Additional Information or Explanations

	ADDITIONAL INFORMATION OR EXPLANATION
1.	Many assets that are reported in Part VII generated reportable Gain through transactions that did not meet the reporting threshold. Similarly, many assets were disposed of through transactions that did not meet the reporting threshold. Where transactions were valued at greater than $1,000, they are reported as required. Where no gross value or value method are reported for an asset, that asset was fully disposed of.
