VIII. Additional Information or Explanations

	ADDITIONAL INFORMATION OR EXPLANATION
1.	Part I, Line 2--I hold a power of attorney as to a living, competent person, exercised for the first time in 2017.
2.	Part II, Line 1--This Agreement relates to my retirement from the practice of law at my prior law firm. All payments due to me pursuant to this Agreement were made in 2012, but the Agreement remains in force as to the balance of its terms which arguably include reference to a balance remaining in one Retirement Plan, so it is listed.
3.	Part II, Line 2- -This is the date of my first participation in such plan while engaged in the practice of law. It is reported in Part VII, Line 1. The remaining balance is in the 401k component of that Plan. See note below regarding Part VII, Lines 1A and 1B.
4.	Part VII, Line 10- -This is a non-interest bearing account
5.	Part VII, Line 1--The Plan listed on Line 1 remains open, as it was rolled over into Rollover IRA #1 in part. It is a 401(k) Plan. These retirement funds are administered and managed by third-parties. All contributions to them relate solely to services performed prior to my entering judicial service.
6.	Part VII, Lines 1(A) and 1(B). Consistent with the instructions, I am listing the assets held in this Plan, which is reported at Line 1.
7.	Part I, Line 1- -Estate #1 is that of a deceased person, and has no tangible assets, other than its status as the plaintiff/claimant in civil/claims proceedings related to the decedent's death. It had no income in 2025 and no defined monetary value at any point in 2025, as its value is entirely contingent on potential future litigation outcomes. It does not appear that such is a "reportable asset" so it is no longer reported in Part VII of the Report.
8.	Part I, Line 14(G)--This is an FDIC-insured multi-bank cash account, used to receive cash dividends/capital gains/proceeds of sales and redemptions of listed assets or capital gain attributions to them, to purchase assets in Rollover IRA #1, and also to make cash distributions from Rollover IRA #1.
9.	Part VII, Line 14(C)--This reflects residual cash in Rollover IRA #1 as of December 31, 2025. This cash was held by the custodian in its own account (and not an account specified to me or an immediate member), generated no income, gain or loss, and had a value of less than $1000 as of December 31, 2025.
