VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of report.)*

In June of 2022, [redacted] consolidated the assets listed in lines 2 through 7 of part VII with the asset listed in Line 1 of Part VII. These transactions were deemed either "rollovers" or "transfers between contracts" by the company that managed the assets but are identified as "merged" in Part VII as this was the available option that best described the transactions. The dates of the consolidations are listed in column D(2) and the value of the merged asset on the date of the rollover or transfer is listed in colum D(3). The assets listed in lines 2-7 were closed and had no value at the end of the reporting period. The total increase in the value of the asset in line 1 after the mergers is not reflected as "income" in column 1, however the growth on that asset independent of the asset merger is reflected in that column.
