VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of report.)*

Lines of Part VII: To assist the committee's reviewers (and the public) to compare this 2021 report to the 2020 report, some boxes under "Description of Assets" contain a parenthetical listing of the line number upon which each asset was listed in the 2020 report, e.g., "(#110)."

Lines 31-231 of Part VII: Many lines show a "W" in the value method column. This is because, while there are appraisal-authority assessments of less than $1000 for most of these interests, filer's would take no less than $1000 for any of them.

Lines 12-17 on the original report (filed 8/2/2022) have been deleted and lines 12 through 21 inserted in their place in this amended report. The original report was flawed because of my unfamiliarity with new brokerage company's frequency of trades and its method of reporting compared with the brokerage company previously engaged.

Lines 239-312 of this amended report reflect placement of earned income into two separate accounts with Wealthfront Brokerage LLC. I was not aware of this until recently. I am amending promptly after learning of the investments and then being able to secure copies of the monthly statements from business manager.
