VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of report.)*

Part V: The filer received air transportation from Atlanta, GA to Wichita, KS. The value of this trip falls between $0-$2,197.60, depending upon the valuation method employed. Commercial flights between the same city pair are readily available for less than the reporting threshold.

Part VII, line 3: The number of investors in this fund is unknown to the filer. Despite request, no further information regarding this fund is available to the filer. To the best of the filer's knowledge, the investor has no direct ownership over any underlying assets.

Part VII, Column B: Lines reflecting no income are so reported because none was attributed to those particular holdings during the reporting period, whether taxable, tax exempt, or tax deferred, or because the investments do not allocate income to individual holdings, but instead are credited only in unit value, per page 45 of the filing instructions.
