VIII. Additional Information or Explanations

	ADDITIONAL INFORMATION OR EXPLANATION
1.	I did not file a periodic transaction report on the November 25, 2025 sale of both FOXA and NWSA common stock because a periodic transaction report is not required for those sales. The instructions for filing Form AO 10T state that "transactions in which the then fair market value of consideration paid or received did not exceed $1,000" are excluded from the requirement to file a periodic transaction report. I sold two shares of each stock, which did not come close to $1,000 in consideration received for each stock.
