VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of report.)*

Part III-B., line 2: No reportable assets are connected with this entry.

Parenthetical numbers in Part VII are CUSIP numbers which, like ticker symbols, are standard asset identifiers. They contain no security-based information.

Part VII, Column B: Lines reflecting no income are so reported because none was attributed to those particular holdings during the reporting period, whether taxable, tax exempt, or tax deferred, or because the investments do not allocate income to individual holdings, but instead are credited only in unit value.
