VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of report.)*

Part II: This plan was inadvertently omitted from prior reports.

Part VII, line 3: The filer has no information regarding underlying assets.

The ticker symbol for Sentinelone Inc. Cl A is (S).

The ticker symbol for U.S. Steel is (X).

Part VII, Account #3: Other than the reported purchase of AEVA, these holdings became reportable without corresponding reportable transactions.

Part VII, Column B: Lines reflecting no income are so reported because none was attributed to those particular holdings during the reporting period, whether taxable, tax exempt, or tax deferred, or because the investments do not allocate income to individual holdings, but instead are credited only in unit value.

Minor discrepancies, if any, between periodic and annual transaction details are the result of software limitations, brokerage reporting practices, and/or the effect of market changes affecting reportability.
