Part VII, Column B: Lines reflecting no income are so reported because none was attributed to those particular holdings during the reporting period, whether taxable, tax exempt, or tax deferred, or because the investments do not allocate income to individual holdings, but instead are credited only in unit value, per page 45 of the filing instructions.

Parenthetical numbers in Part VII are CUSIP numbers.

Part VII, line 307: Following an otherwise reportable purchase of "J" on 9/30/22, this item became unreportable without a corresponding reportable transaction.
