VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of report.)*

Part VII. The balance and earnings on the account TransCanada Retirement Plan (Defined Bft. Cash Balance Pension), which belongs to [redacted], are something to which [redacted] does not have access and those figures would need to be prepared by hand and sent to us in a letter. Extrapolating beyond the balance from several years ago, and the low earnings rate, I have estimated the value and earnings of the account.

Part VII. The Smart 529 Plans were commenced over a decade ago, one for each of [redacted]. The Hartford only provides income information for the life of the investment. The Hartford will not break it down for me by year, although I lodged a special request that it do so. I am thus left with little option to leave the income column blank. Please advise if the Committee desires the statements of account.

Part VII. For Line 20, I placed a ("(Y)" simply to reflect the company name changed slightly from prior years.

Part VII. I have listed a "(Y)" next to one of the Travelers Companies Inc. accounts at our brokerage. By oversight, the account, which was custodial in nature for [redacted], was not reflected as a sale in a prior period. I believe the sale would have been in 2020. At that time, the stock value would have been less than $10,000, with dividend earnings for the year of far less than $1000.
