Part VII -

Line 2 - Appraisal Dated - 9/3/2012

Line 3 - Appraisal Dated - 1/10/2014

The value of the annuities listed on lines 21-42 and lines 123-129 increase and decrease based on changes in market value.

The annuity investments listed on Lines 35 & 36 as part of the Prudential annuity were transferred by Prudential Annuities Life Assurance Corporation (renamed Fortitude Life Insurance & Annuity Company) to the annuity listed on Line 42. Transfers within the account are completed by Prudential. Neither the filer nor his financial advisor have control over these transactions. An option to report a disposal as an exchange is not available; therefore, the transactions have been reflected as sales with no associated gain. The new holding has been reported as a purchase on the same day with the associated value.

(X) – Assets held in IRA #2 (Lines 131-149) were inadvertently omitted from the report as originally filed. Prior reports are being amended to include these assets for all applicable years.
